

D e c l a r a t i o n

Additional clauses in relation to the solar water heater scheme:

Provisional registration of solar water heater products as eligible for the scheme is being accepted in cases where the products are intended to be listed as a certified collector or system on the Solar Keymark website¹ or if a true certified copy of the third-party certification is provided within six months of the date of this declaration, subject to the following conditions:

1. the manufacturer confirms that the collector will be listed on the Solar Keymark website or that a true certified copy of the third-party certification will be provided ;
and
2. the importer is willing to accept liability for any grants issued by the MRA or the Government should the products not be listed on the Solar Keymark website as certified products or if a true certified copy of the third-party certification is not provided within six months of the date of this declaration.

MRA reserves the right to contact any reference submitted directly to confirm details submitted.

Solar water heater product models for which provisional registration is being requested:

_____ ; _____ ;
_____ ; _____ ;

I confirm that I accept these conditions, and I confirm that I am authorized to sign, on behalf of the importer/retailer. I accept that this document may be made public by the Authority.
