Please ensure that you complete all sections of the form, including those overleaf. Applications that are not fully completed will not be processed. Faxes and photocopies of a completed application form are not acceptable. An application form has to be completed for each RES system purchased. Applicants must complete this form in conjunction with the installer and supplier of the proposed renewable generation system. The following parts should be completed:

- **Parts I – before purchase and installation**
- **Parts II – before purchase and installation**
- **Part III – after purchase and installation and after approval of grant.**

PART I to be filled in by the applicant before purchase and installation

Section A – Applicant Details

Name: _____	Surname: _____
ID Card No: _____	Telephone No: _____
E-mail: _____	MobileNumber _____

Section B – Address where system is to be installed

House name or number: _____
Street: _____
Locality: _____ Post Code: _____

Section C - Mailing address

If you would like scheme correspondence to be mailed to a different address from the installation address given above, please complete this part. If not completed, all correspondence will be mailed to the address identified in Section B.

House name or number: _____
Street: _____
Locality: _____ Post code: _____

Operational Programme I – Cohesion Policy 2007-2013
Investing in Competitiveness for a Better Quality of Life
Project part-financed by the European Union
European Regional Development Fund (ERDF)
Co-financing rate: 85% EU Funds; 15% National Funds
Investing in your future

Promotion of Energy Efficiency and Renewable Sources of Energy in the Domestic Sector-

Section D: Grant eligibility questions for all technologies - Please tick boxes to confirm

I confirm that I will obtain planning permission (where required) for this installation	<input type="checkbox"/>
I confirm that I am the owner of the property or an emphyteuta or a tenant with all the necessary authority to apply for this grant	<input type="checkbox"/>
I confirm that I (or any member of the household) have not obtained and will not obtain any other grants or subsidies for this system either from public or national funds or EU funds	<input type="checkbox"/>
I confirm that the property where the system is installed is residential and is used by myself for residential purposes only	<input type="checkbox"/>
I confirm that I am not applying on behalf of an undertaking (carrying out an economic activity) and am not a landlord of the property where the system is installed	<input type="checkbox"/>
I am aware of Article 57 (Durability of Operations) of the Council Regulation EC/1083/2006 and shall abide by it	<input type="checkbox"/>
I am aware that any publicity of technology installed would need to abide by EU funding publicity regulations	<input type="checkbox"/>
I confirm that my photovoltaic installation will be grid connected according to Enemalta requirements	<input type="checkbox"/>
I am aware that all the information submitted in this application may be cross checked with other government entity and authorise the MRA to ask any other government entity to provide the required information.	<input type="checkbox"/>

Section E - Documents accompanying Part I of the application form: Please specify number of documents attached:

ORIGINAL quotation containing seller and buyer details, segregated prices, description of product and date of purchase	<input type="checkbox"/>
Photocopy of ID card	<input type="checkbox"/>
Photo of the installation location, plus one photo taken from project location showing view to the south	<input type="checkbox"/>
Photocopy of complete electricity bill (including remittance advice) for the project location	<input type="checkbox"/>

Section F – Applicant’s Declaration

I, the undersigned, certify that I have read and understood the requirements and conditions set for the grant available on the MRA website www.mra.org.mt¹. The information provided in these applications (Parts I, II, and III) is accurate and true to the best of my knowledge. I understand that any attempt to misrepresent information in this application will invalidate this application and disqualify me from all claims to future rebates. I am aware that MRA auditors and other national and European authorities may perform on site inspections and that my name together with the investment aid granted may appear on public documents.

The information provided in this form is accurate and true to the best of my knowledge. I understand that any attempt to misrepresent information in this application will invalidate this application and may disqualify me from any future schemes.

I confirm that the equipment has already been registered in accordance with Government Notice Registration of Solar Water Heaters, Solar Collectors and Photovoltaic Systems of 2010.

Importer / Retailer's Signature

Date

Name in block letters

Retailer's Company Stamp³:

Note:

- Prospective applicants who intend to import systems directly are urged to pre-register their systems themselves PRIOR to making any commitments.
- In cases where the supplier does not conform to any provisions set out in the scheme, the supplier/installer shall be obliged to either change the equipment to bring the installations within the provisions of the scheme or pay the grant to the end consumer. This does not exclude the possibility that the end consumer may take legal action against the retailer to provide him with equipment as originally requested.

³ Required if the equipment is pre registered by a registered retailer in accordance with Government Notice Registration of Solar Water Heaters, Solar Collectors and Photovoltaic Systems of 2010
