1. Definitions

1.1 In this authorisation and for the purpose of these conditions (except in so far as the context otherwise requires) the following expressions shall have the meanings respectively assigned to them. The definitions of any other terms used in this authorisation are the same as those in 'LPG Market Regulations, 2008', (Legal Notice 249 of 2008).

1.1.1 **ADT** means "L-Awtorita dwar it-Transport" established under the Malta Transport Authority Act (Cap. 332).

1.1.2 **ADR** means the "UNECE Agreement Concerning the International Carriage of Dangerous Goods by Road". Subsidiary legislation 'Motor Vehicle (Carriage of Dangerous Goods by Road) Regulations', (LN 211 of 2003) requires compliance with the ADR for both the National and International carriage of dangerous goods.

2. LIMITATIONS, VARIATIONS AND AMENDMENTS

2.1 LIMITATIONS

Nothing in this authorisation or the conditions attached thereto should be construed as, and/or should in any way be understood and, or be deemed to exonerate the holder and/or any other person or persons from being obliged to observe, comply with or carry out any requirement or comply with a provision of any law or subsidiary legislation or any other legal requirement for the time being in force.

2.2 VARIATIONS AND AMENDMENTS

Any special condition, exemption or variation shall be read together with, and construed as being part of these conditions, unless otherwise specified.

Any general condition in Part 3 or special condition in Part 4 of this authorisation may be amended or varied, or new general and special conditions added, at the discretion of the Malta Resources Authority, according to applicable laws and regulations, giving where practicable due notice to the authorised provider

The authorised provider shall however be notified of the intended amendments and consulted by the Malta Resources Authority prior to any such amendment or variation being put into effect.

2.3 The Malta Resources Authority may oblige the authorised person to meet the following requirements where appropriate -:

- (a) compliance by the holder with all other relevant permits and authorisations, however so described, issued by any other public authority;
- (b) the safeguarding of safety conditions at the authorised facility and vehicle;
- (c) fitness and propriety of the authorised provider;
- (d) protection of the health and safety of employees and third parties that could be involved in the operations related to this authorisation;
- (e) protection of the environment;
- (f) compliance with relevant laws and regulations;
- (g) continued maintenance of adequate standards in the authorised facility with regard to safety, health, security, hazardous substances and the environment.

SAMPLE

3. GENERAL CONDITIONS

- 3.1 The authorised person shall comply with the requirements of the 'LPG Fuel Market Regulations, 2008' (Legal Notice 249 of 2008) and other applicable legislation/regulation in force at the time.
- 3.2 The authorised person is **not** authorised to transport and, or distribute portable refillable LPG cylinders by means of this authorisation.
- 3.3 Special authorisation conditions may be attached to this authorisation upon its granting and subsequent to that time thereof. The continuing validity of this authorisation shall be subject to adherence to such special authorisation conditions.
- 3.4 The authorised person and all persons employed by him shall act in accordance with, and observe the conditions attached to the authorisation.
- 3.5 This authorisation, including the granting form duly issued by the Authority and any special authorisation conditions issued shall be produced to an official of the Authority upon demand.
- 3.6 The authorised person shall take all reasonably practicable steps necessary to prevent any person under the age of 16 having access to the LPG vehicle and its auxiliary equipment.
- 3.7 It is not permitted to carry any passengers, unconnected with the distribution operation, on the Bulk LPG distribution vehicle.
- 3.8 The authorised person shall take all reasonably practical steps to protect the environment in the course of operations associated with this authorisation.
- 3.9 The authorised person shall take all reasonably necessary steps to protect third parties whilst unloading LPG into storage vessels.

- 3.10 Operations associated with this authorisation must comply with the guidelines issued by the Authority from time to time. The Authority reserves the right to amend, vary, add or remove conditions, whether general or special, attached to this authorisation in terms of regulation 12 of the 'LPG Fuel Market Regulations, 2008' (Legal Notice 249 of 2008). The authorised person undertakes to accept directions in the form of letters from the Authority, intended to explain or amplify the conditions attached to this authorisation or otherwise improve the general conduct of activities regulated by this authorisation.
- 3.11 The Authority can require the authorised person to provide mandatory services to the specific authorised facilities, against payment.
- 3.12 The authorised person shall accept at all reasonable times inspections carried out by officers of the Authority or persons on its behalf for the purposes of ascertaining operational standards and the condition of the overnight parking station.
- 3.13 The authorised person must provide assistance and facilitate the working of the Authorities in so far as the carrying out of their duties in accordance with legislation and relevant to the authorisation concerned.

Transport and Retailing of LPG

- 3.14 The authorised person is authorised to transport, distribute and retail Bulk LPG to authorised LPG storage facilities and Autogas stations, only.
- 3.15 The authorised person shall transport, distribute and, or retail bulk LPG using particular distributor vehicle authorised by the ADT to carry dangerous goods.

3.16 The authorised person shall only unload into LPG storage vessels designed for the holding of LPG and never directly into the tank of a motor vehicle.

Bulk LPG Distributor Vehicles

3.17 The Bulk LPG distributor vehicle/s is/are to display an orange plate and hazard placard as indicated in the 'Motor Vehicle (Carriage of Dangerous Goods by Road) Regulations, 2003'.

3.18 The Bulk LPG distributor vehicle/s is/are to be equipped with:

- (i) written procedures for normal and emergency procedures as approved by the Authority;
- (ii) fire-fighting equipment as per requirements of the ADR;
- (iii) one wheel chock suited to the weight of the vehicle and the diameter of the wheels;
- (iv) suitable warning vest/clothing for each member of the crew;
- (v) pocket lamp;
- (vi) special protection and special actions equipment as listed in the in the ADR instructions in writing for the driver (Tremcard); and
- (vii) two self-standing warning signs (e.g. reflective cones or flashing amber lights which are independent of the electrical equipment of the fuel distributor vehicle).

Driver of the Bulk LPG distributor vehicle

3.19 The driver and helper boarding the Bulk LPG distributor vehicle/s is/are to be in possession of an ADR Vocational Driver Training Certificate for drivers of

vehicles carrying dangerous goods or as may be authorised by that authority.

3.20 The driver and helper on board the Bulk LPG distributor vehicle/s shall take all practicable steps necessary to prevent:

- a) accident by fire or explosion;
- b) the escape of LPG;
- c) any LPG entering any drain, sewer or waterway or public road;
- d) any naked light, fire, flame or any other source liable to ignite flammable vapour occurring or present within a hazardous area; and
- e) smoking taking place in any hazardous area close to the Bulk LPG distributor vehicle where LPG is stored.

Maintenance

3.20 The bulk LPG distributor vehicle/s shall be maintained in such a condition that safety-related features remain in place and function effectively.

3.21 The authorised person shall ensure that all meters are properly maintained and in possession of a certificate issued by an authorised body recognised by the Malta Standards Authority.

3.22 Quantity measuring meters on-board bulk LPG distributor vehicles, shall be calibrated at least once annually. These calibration checks are to be supported by a certificate issued by a body recognised by the Malta Standards Authority.

Customer Complaints

3.21 The authorised person, if not operating under a service contract with another authorised operator, shall maintain a customer complaint register and proceedings, in

a form approved by the Authority, which shall be made available for examination by an inspector upon demand.

Over-Night Parking of bulk LPG distributor vehicle/s

3.22 Bulk LPG distributor vehicle/s must be parked in an open space. The area where the bulk LPG distributor vehicle/s is parked is to be clean and free of any combustible material or any other hazardous material, according to the guidelines established by the Authority.

Records & Supply of Data

3.23 The authorised person must maintain proper books of accounts supported by adequate and comprehensive records, which should be in accordance with guidelines that may be issued from time to time by the Authority.

3.24 The authorised person shall maintain in a form acceptable to the Authority and produce to an inspector upon request, a record documenting the daily records and accounts of all receipts and issues of petroleum in such form as the Authority may from time to time prescribe.

3.25 Within the 15th working day of each month the authorised person, if not operating under a service contract with another authorised operator, must submit in written form to the Authority a list covering the total amount of LPG handled during the preceding month. The list shall cover:

(i) LPG bought or supplied from each authorised importer and, or wholesaler;
and

(ii) all LPG sales, divided into:

- residential premises;
- Autogas stations;
- Agricultural;
- commercial and institutional premises; and
- industrial premises by type: - food sector, manufacturing, textiles, and construction industries.

Insurance

3.25 The authorised person shall insure and keep insured throughout the duration of the authorisation the authorised vehicle against loss or damage, including malicious damage resulting from fire and/or explosion, to third parties and third party property.

Transfer of Authorisation

3.26 Authorisations shall be transferable:

Provided that whenever an authorised person desires to transfer his license he shall follow the procedure prescribed in regulation 20 of the 'LPG Market Regulations, 2008', (Legal Notice 249 of 2008).

3.27 The Authority shall treat an application for the transfer of a license as a new application in terms of Schedule 1 of the 'LPG Market Regulations, 2008', (Legal Notice 249 of 2008).
